COMMITTED WORKFORCE

We draw of strength and inspiration from our parent group that's steeped in values and principles. Our dedicated team of qualified professionals have imbibed these precepts. Armed with technical expertise and sound understanding of requirements they execute customers' orders with precision and perfection.

PROMPT DELIVERY

Our manufacturing capability and the benefit of having all of facilities in-house allows us to respond to customers' needs far more quickly than our competitors.

As multi-group agglomerate led by the Amarjothi Group, we know what it takes to be a leader.

THE HIGH PERFORMER AMARJOTHI SPINNING MILLS LIMITED

Marching towards the Silver Jubilee, Amarjothi relentlessly strives to be the industry leader as the single largest manufacturer of best-in-class color melange yarn, globally appreciated for excellence.

With world class infrastructure extending from Tirupur, Perundurai and Nambiyur in Erode District, the Company boasts of all the common colors as regular stock and exclusive color yarns customized according to client's fashion specifications.

Mr. Premchander Rajan, the Managing Director, is keen on consistent clean room practices that are non-toxic and all the necessary Certifications like ISO 9001:2008, GOTS Standard, OE 100, OE Blended Standards, Oeko-Tex and BCI Standards are adhered to.

The principles of Total Quality Management are seamlessly integrated into all the functions of the Company and with a R & D that is always trending with never before color combinations that caters to the best fashion brands of the world, no wonder, Amarjothi is the best yardstick of a global leader in melange yarn.

Mr. N. RAJAN
Founder & Chairman

THE ECO-FRIENDLY CRUSADER - AMARJOTHI DYEING PLANT

The ultra modern fibre and yarn dyeing facility at SIPCOT, Perundurai, has a eco-friendly RO Plant that proves beyond doubt that the Company believes in the cause to save our environment by adapting pioneering strategies in effluent treatments that are at par with the rest of the world.

POWER IN DEMAND. WE DELIVER. - AMARJOTHI POWER GENERATION AND DISTRIBUTION COMPANY LIMITED

Amarjothi wind farms are known for the overall sustainable development of the Group. The entire power necessary to the internal requisites is met with the best of wind mills at Udumalpet, Tirunelveli and Kanyakumari. The surplus power, however, is being sold and the entire process is a measure to reduce power costs and ensure availability during periods of shortages.

READY TO CUT FABRICS

The Fabric Division of Texin India offers Ready to Cut (R2C) fabrics. Our tie-up with various types of quality knitters and wet processors enable us to offer fabrics of world class standards, made with the help of state-of-the-art imported knitting machinery. They include Mayor & CIE, Terrot, Falmac, Pai Lung, Unitech, Wellknit & Smart.

We offer varieties of knit fabric in various widths and gauges as per customer's requirement :

Single Jersey / Stripes Single Jersey / Alternative Lycra Jersey / 40 Dia Stripes Jersey / Airtex & Honey Comb / 2 Thread Fleece / Single Rib / Lycra Rib / Derby Rib / Interlock / 3 Thread Fleece

We use innovative fabric technologies designed to enhance the functional and aesthetic values. A seamless production process ensures consistent quality in ready to cut fabrics:

KNITTING > DYEING > COMPACTING > ALL OVER PRINTING > FINISHING

With our ready to cut fabrics, customers can save on transaction time and overhead costs.
